

ATLAS DUNNAGE OCCUPATIONAL HEALTH AND SAFETY POLICY

As ATLAS Dunnage, our most valuable asset in our workplace is our employees. We aim to provide healthy and safe working conditions at every stage of our processes.

In accordance with this purpose, we undertake the below principles;

- To make the necessary resource planning to fulfill the requirements of the OHS management systems
- To adopt the occupational safety culture to all stakeholders and related parties with a zero work accident and zero occupational disease approach
- Continuous improvement by identifying risks and opportunities in our processes with the participation of employees
- To increase employee satisfaction by providing work and human harmony
- To comply with legal requirements related to occupational health and safety
- To provide a clean and tidy working environment to avoid unsafe situations
